OFFICE OF THE PRIVATE SECRETARY

TO HIS HIGHNESS THE MAHARAJA OF MYSORE,

Petition, as shown below, to His Highness the Maharaja is transferred to the Chief Secretary to the Government of His Highness the Maharaja of Mysore, ~~Department~~, Bangalore, for disposal.

No. 879 of 21-22

By Order,

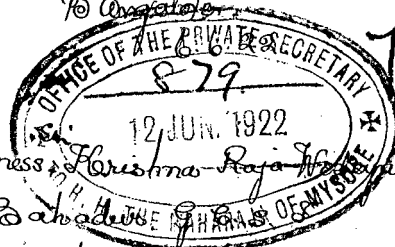
To Annadoler



To

His Highness Krishna Raja Wadiyar,
Bahadur G.B.E.
Maharaja of Mysore,
Mysore

May it please your Highness:-

While the public are very thankful for your Highness's various act of kindness, I the undersigned most respectfully beg to bring the following few lines to your Highness's serious and benevolent Consideration. Out of the many charity your Highness was pleased to establish a Tuberculosis Sanatorium in Mysore in the name of your Highness's beloved sister, and many poor people from here have gone and sought admission there. But with reference to the recent Government order it is learnt that from 1 July 1st a fee of annas eight will be charged to poor people who are to be admitted into the General Ward. Your Highness is fully aware that owing to the disturbed Condition in the whole world the poor people of your Highness State have hands to

mouth. People who are generally admitted into the General Ward and nothing left for Menial Staffs and Labourers. The disease as Your Highness is aware is not a thing to be cured in a few days but months sometimes years. If Your Highness could graciously make enquiries it will be seen that many who are there are without any means and heavily depend upon the hospital diet and medicine. One of the best remedy to be cured from this terrible disease is cheerfulness and free from worries. The patients are already having too many cares of their poor families, but the recent Government order will be another thing, by which many who are now passing at present had to leave the Hospital by the end of this month which means the loss of so many souls and calamities to their dependents. The number of beds are few and there will come after all will not rise very much. At present here an old Brahmin Lady (widow) & who is depending upon her only Son who is a clerk, under Your Highness's Government earning a salary of Rs 25/- got this terrible disease and the Doctor had advised him to go to my home. The young man is Confined to bed. The old lady came to me and asked all about it and I told her that from July 1st She will have to pay Rs 15 a month. The mother and Son are living only out
